

Zephyr Point Presbyterian Conference Center

Everyone needs a quiet setting — a place to listen to God — again, or for the first time. Zephyr Point is one of those special places. Nestled in the Sierra Nevada, on a half-mile of Lake Tahoe shoreline, Zephyr Point is one of the most beautiful retreat centers in all the world. Our Christian presence over the years witnesses that God, indeed, dwells

among us. Since 1925 Zephyr Point has had a profound influence in drawing lives to Christ, and has provided rest, rejuvenation and recreation for thousands. From its humble origin, when guests camped in tents on a rugged lakeside, Zephyr Point has grown into one of the leading cross-cultural and ecumenical Christian Centers in the nation.

Zephyr Point is “a haven where God’s presence seems to reach out from the snowy mountains and the deep blue lake to drape the world-weary visitors in a profound peace.”

Our Mission

Zephyr Point Conference Center exists to serve as an extension of the ministry of the church and to provide a place apart where God's Spirit may penetrate hearts and minds as they are confronted with the Gospel and the claims of Jesus Christ, and enable Christians to communicate and relate their faith to the world in which they live.
