Cell Phones

Zephyr Point strongly encourages all campers to leave cell phones at home during their time at camp. With that said, many recent studies have shown that forced detachment from cell phones for children can cause anxiety and depression. With this in mind, parents may choose to have their camper bring their phone to camp, but Zephyr Point will be enforcing appropriate phone usage with limited times where phones are permitted. If a camper chooses to leave their phone at home, program staff can be reached at 775-588-6759 ext. 113 to get you in contact with your camper.

Zephyr Point is not responsible for lost, stolen, or damaged property.
