YOUTH RETREATS AT ZEPHYR POINT FOR NEARLY 100 YEARS!

Zephyr Point started nearly 100 years ago with a focus on youth conferences, and still today, youth are diving deeper into their faith in this special place. The Diocese of San Jose had 245 participants in their 2023 Youth Retreat, which Zephyr Point was once again privileged to host. While they were here, we had the joy of hearing testimonies from some of their leaders who started as youth participants many years ago. Their theme this year was "FREED," and participants learned that they are freed to love and be loved, freed to be known, and freed to serve.

Our mission at Zephyr Point is to continue the tradition of providing a place and space away where young and old can learn, explore, and be inspired to love and serve others.

WANT TO VOLUNTEER AS A CAMP NURSE THIS SUMMER?

Don't miss this amazing opportunity to volunteer as a Camp Nurse and enjoy time on Lake Tahoe.

The 4th of July week is a unique experience for our camp Nurse. Our day camp only runs for 3 days, and the other 4 days, you get to relax at the lake for FREE in a private cabin.

Week 7 of Camp (July 31 – Aug. 4) is also in need of a nurse. Share your skills and serve youth as they experience camp at Zephyr Point.

Our dress code for our Camp Nurse is much more casual now, but enjoy a picture from Zephyr Point's past.

WHO CAN VOLUNTEER:

We prefer licensed nurses who have either had specific pediatric patient experience or have worked with youth in other settings.
