

GUEST GROUP GOLF CART POLICY

If you wish to bring a personal or rented golf cart on property for your group's event, review the following requirements:

- Personal or rented golf carts are only allowed for guest groups; individual renters are not allowed to bring a golf cart on property.
- Groups using personal or rented golf carts on property are required to have group liability insurance with Zephyr Point Presbyterian Conference Center named as an additional insured.
- Obey all posted signage, including the posted speed limit. Always drive safely and responsibly and use extra caution when driving near pedestrians.
- All passengers must be seated while the cart is in motion. The number of passengers on the cart must not exceed the number of seats.
- The cart must be clearly labeled with the name of the group or event.
- Golf carts must be parked in designated golf cart parking areas.
- Gas-powered golf carts are not allowed. Extension cords for electric golf cart charging are not provided.
- Golf carts must be equipped with functioning headlights when driven at night.
- The golf cart driver must be at least 18 years of age and have a valid driver's license.
- Golf carts may only be driven on roads and paved trails. Golf carts may not be driven down to the beach.
