## **A GETAWAY YOUR CHURCH WILL LOVE!**

A retreat is a great way for your faith community to unplug, forge new bonds, and take steps forward on your spiritual path. Zephyr Point provides a peaceful and breathtaking setting where church groups like LVICC (Las Vegas International Christian Church) do just that.

We invite you to join us on these inspirational grounds with your church to enjoy the beauty of the Tahoe Basin and experience all that Lake Tahoe has to offer!

## WHERE INDIVIDUALS AND FAMILIES FIND ADVENTURE & RELAXATION

An affordable option for individuals and families to experience Lake Tahoe is a Zephyr Point Cabin!

Whether your perfect day is exploring the lake or the mountains or relaxing with a good book, Zephyr Point has what you need.
